## Crosby PTA Polio Benefit January 19

Plans are well underway for the coming presentation of the town wide "Polio Benefit Performance" to be held under the sponsorship of the Crosby Parent Teacher Association, at the Robbins Memorial Town hall, on Wednesday evening, January 19, 1949, at eight o'clock.

Public spirited citizens of Arlington, ever ready to do their distinguished part in standing back of any worthwhile endeavor for the betterment of their fellow townspeople, are backing up the project one hundred per cent. The proceeds from the benefit will be donated entirely to the Arlington Chapter of the National Foundation for Infantile Paralysis.

The main attractions of the benefit performance will be those

perennial favorites with New England audiences. Marjorie Mills and Bill Cunningham, prominent radio and newspaper personalities. The attractions will include Francis Falvey and Carol Lee Sandler and other to be announced later.

The entire personnel of attractions will donate their services for this worthy cause, and the generous response of the people of Arlington has already guaranteed the success of the benefit. Music will be by the Arlington High School Band.

The chairman of the ticket committee is Mrs. Raymond F. McKeever, and her committee includes all PTA ASSOCIATION PRESIDENTS. Tickets may be obtained at all Arlington schoolhouses.

## "Happiest Christmas" Says Little Monica

The happiest girl in the world on Christmas Day was little six year old Monica Cotter, daughter of Mr. and Mrs. John E. Cotter, of 77 Oakland Avenue, Arlington, when, surrounded by her four little sisters and brothers, and other members of her family, she celebrated the day by opening the hundreds of Christmas gifts sent her by friends and well wishers all over New England.

And to make this Christmas the merriest one in her short life, Dr. Richard Webster, famous plastic surgeon, under whose expert care the little girl is slowly recovering from her terrible experience of last June, as a special holiday treat, removed the bandages from her neck for a few hours, so that her Christmas joy might be more complete.

Thus it came to pass on Christmas afternoon, that little Monica arrayed in her new Christmas

finery, and escorted by her father, paid a holiday surprise visit to her friends at the Arlington Police Station, including her special friends, Sgt. "Oakie" Toomey and Officer John Roche, who originated the fund for their little friend which has now grown to the goodly sum of well over eleven thousand dollars. Yes, the entire force on duty, joined in a hearty reception to the little girl, and made her two hour Christmas visit to them one long to be remembered.

In fact, little Monica is now coming along so well that Dr. Webster has indicated that she will not require further daily attention for a few weeks, barring any unforeseen incident, at the end of which time, she will be ready for a further operation to ease the strain on the new skin grafts and make possible further

A major step in the Annual Fund Raising campaign of the Arlington Chapter of the National Foundation for Infantile Paralysis was completed this week with the mailing of March of Dimes cards to local residents, according to Mr. William J. Sinclair, local campaign Director.

Appealing to recipients of the cards to increase their contributions by 50 per cent, if possible, this year Mr Sinclair said that rav-

ages of polio throughout the nation last summer, as well as soaring costs of care and treatment for those stricken, make this year's fund drive the most urgent in the history of the National Foundation Chapters. Mr. Sinclair said the coin cards have slots for \$2.00 in coins but can also accommodate any amount in bills or checks. "The

## Heroes And Homes

The Housing Authority of Arlington recently voted to erect multiple units for the housing of veterans, each unit consisting of several apartments.

It is our studied opinion that it would be much better for the Town of Arlington, for the veterans themselves and for their families, if, instead of erecting such unsightly and inadequate "barracks" for the housing of our heroes, in whose debt we shall forever stand, if, instead of such an unsightly multiple unit, of which no veteran can ever hope or desire to become owner, a number of small, individual homes, to cost from \$7750 to \$8000 would be erected. Such individual homes would consist of four rooms, cellars, expansion attic, hardwood floors, oil heat, and all modern conveniences. Thus, in the course of 25 years, veterans could become owners of their individual homes, at the nominal cost of approximately \$53 per month, in lieu of rent, etc.

We cite one multiple unit which is being built in Massachusetts, consisting of forty-three apartments at the cost of \$533,296. When pro rated, this means that in order to house the veteran and his family, an expenditure of approximately \$12,332 for each family would be necessary. When a multiple unit is erected, a manager must be employed, maintenance men must be kept; whereas, in the case of the individual unit, the veteran himself takes entire care of his property.

Thus the cost of the multiple unit would greatly exceed the cost of erection of the small individual homes, which can be erected for anywhere from \$7750 to \$8,000, as stated above. Similar homes may be seen at Dracut, Massachusetts, erected by Ernest Bouchard, for the sum of \$7800, or at Hillcrest Park, Tewksbury, built by Kenneth Cole, at a cost of \$7750, or at South Attleboro, constructed by Arthur Cortius, at a cost to the veteran of \$8000. Thus veterans may hope within a period of from twenty to twenty-five years, paying at the monthly rate of approximately \$53, to ultimately become owners of their homes.

It is our hope that in a few years, the housing situation will ease up considerably, and then, we feel sure, veterans will give up such multiple unit projects, and start to purchase single homes for themselves and families, but this will be after a period of several years, during which time, the veteran will be paying out hundreds of dollars in rent like water gone under the bridge. Such multiple units would finally become vacant property, eyesores to the town. The town will then be forced to tear them down, or rent them out for unsightly storage purposes.

We suggest that now is the time for the various local veterans' organizations to get "on the ball" and contact the Housing Administration, and make it known to them that it is SINGLE HOMES the veterans want, and NOT multiple units.

## LISTING OF VOTERS NOW BEING TAKEN

The Board of Registrars workers are calling this week on all Arlington homes, starting on Monday last, for the purpose of listing all persons living in Arlington, who are twenty years of age or over.

Those residents who are not at home when the workers call are requested to give the information requested on a notice which will be left at the house by the registrars. The Board asks cooperation of all, to insure that no names of registered voters will be dropped from the voting lists.

## Way To Happiness

To leave the old with a burst of song;  
To recall the right and forgive the wrong;  
To forget the thing that binds you fast;  
To the vain regrets of the year that's past;  
To have the strength to let go your hold  
Of the not worth while of the days grown old;  
To dare to go forth with a purpose true,  
To the unknown task of the year that's new:  
To add your gift to the world's good cheer.  
Is to have and to give a Happy New Year.

## Throw 'Em Out!

Ever seen a Christmas tree burn-a flash-a bomb-like explosion-a terrific burst of heat-the house a mass of flame in a second? God forbid.

Acting Fire Chief Richard J. Tierney, of the Arlington Fire department, asks all residents of the town to take down their Christmas trees at once. Get them out of the house. DO NOT PUT IN CELLAR planning to remove them later.

THROW 'EM OUT DOORS NOW. Tomorrow may be too late to prevent a dangerous fire and serious injury and perhaps death for your family.

Firemen at this time of year are kept busy by the large number of calls for fires starting in dried out Christmas trees.

For your own sake, heed Chief Tierney's warning NOW and cooperate with your hardworking fire department, toward a safe and sane New Year in Arlington.

## Large Audience At Church Anniversary

A large audience greeted Rev. John Nicol Mark the pastor of the First Congregational Parish (Unitarian) Church on the occasion of the celebration of its 216th anniversary, which took place on Sunday, December 26.

Rev. Mark, the fourteenth minister of the church, preached on the "Foundations of a Stable Society." At the close of the services, Dr. Mark gave the right hand of fellowship to 25 new members of the parish. A social hour brought the services to a close, with bouillon served under the direction of Mrs. Richard W. Bennett and Mrs. Edward A. Bailey.

The three large baskets of

poisettias were presented by George A. Smith, and Miss Elizabeth A. Smith, in memory of Mr. Smith's parents, Rev. and Mrs. Samuel Abbot Smith. Rev. Smith was a former minister of the church from 1854 to 1865, and the present church was erected during the term of his ministry.

## I Hereby Resolve:

We hear many a "Happy New Year" greeting these days, and many a New Year's resolution made. We're looking at New Year's resolutions with the scores of pre-Christmas and holidays accidents and deaths in mind. The Arlington Press offers the following suggestions soberly and somberly for your 1949 consideration.

1. I WILL NOT KILL. I promise to operate my car in 1949 safely and sanely. I will not kill or maim my neighbor or my friend, and I promise that my negligence and thoughtlessness will not result in suffering on the highways; in 1949.
  2. I WILL NOT BURN MY HOUSE DOWN. I will follow the common rules for safe living, and will not, through neglect of my property or carelessness cause fires which will kill or burn my family.
  3. I WILL BE CAREFUL. I will not eliminate my usefulness and my production during 1949 by joining the hundreds of thousands of Americans who lie hurt and helpless during many weeks because of the increasing number of accidents which daily befall hurrying careless Americans.
- These three resolutions may help us all. If we all make them and keep them, then 1949 will be a great year.

# Plea For Co-operation In Keeping Good Ice For Skating On Local Ponds

A plea for co-operation on the part of all Arlington residents to assist the Recreation Committee in providing good skating during the remainder of the winter was issued this week.

Through the cooperation of Superintendent of Schools, Forbes H. Norris, copies were sent to many homes through school pupils. However in order to emphasize the importance of the message, it is presented in full as follows:

A message from the recreation committee of Arlington, Massachusetts.

We all want to have good ice skating. The town is going to try to clear snow from the ice whenever snow falls after the ice is safe to bear our weight.

To have good ice we need to avoid throwing sticks or stones on it before it is ready for skating. That should be soon now. We shall need to avoid leaving any sticks, stones or pieces of tire tape from hockey sticks on the ice both while we are skating and afterwards. We should ask others to help in

this way to have and keep good skating.

You see, if we leave these things on the ice, they will dull our skates and will also cause us to fall. And too, when the Town tries to use the ice planer to improve the ice for us, these things will spoil the sharp edge of the planer that shaves the ice smooth. If the planer is spoiled good skating will stop.

Also, let us be sure to keep off the ice whenever it is soft or even getting to be soft. Walking, sledding, or skating on soft ice will make ruts or marks deep in the ice which will spoil good skating.

Be sure to read the signs which will appear on or around Big and Little Winter Ponds. Here, with your good help, the Town will try to keep good skating first. These ponds freeze sooner than the others do.

If you question whether or not ice is safe to hold you and others, telephone the Police or Park Departments. They will tell you where skating is good and ice is strong.

If we all cooperate, what fun we can have with good skating. Let us all try to have good skating. Talk to your brothers and sisters about how to have good skating in Arlington. Let us keep sweet-tempered if they do not cooperate. Just keep on telling them what it means to them now or will mean some day to keep ice good for skating. You and I can do a lot towards having good skating.

Superintendent Roger A. McGinnis, of the Arlington Post Office, has called the attention of the public to the fact that new and higher postage rates and increased fees for special services go into effect as of January first.

## I Wonder?

I WONDER if the new shelter  
erected at the bus stop at Con-  
cord Pike and Lake Street, isn't  
pretty popular with bus passen-  
gers?

I WONDER if one of the town's  
most eligible bachelors isn't that  
popular dog officer, Sam Femia?

I WONDER if the most impres-  
sive moment at the recent  
special town meeting, wasn't when  
all present stood for a moment out  
of respect to the memory of Arling-  
ton's beloved Earl Ryder?

I WONDER if several of Arling-  
ton's families aren't mourning  
the loss of pets, killed along  
Broadway, apparently by speed-  
ers?

I WONDER if the Colonial cos-  
tumes worn by the usherettes at  
the "Swanee Minstrels" made by  
their own hands, didn't come in  
for a lot of admiring glances and  
remarks from the audience on  
Monday night?

I WONDER if our fireladdies  
are being trained to go on a Byrd  
expedition, noting that they are  
withstanding the rigors of winter  
minus overcoats?

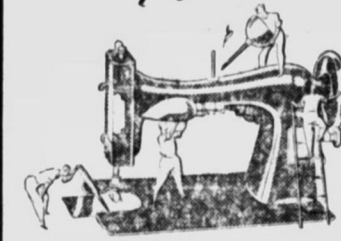

I WONDER if the cute trick,  
wearing the Red Riding Hood out-  
fit, didn't almost throw her arm  
out waving at a boy friend in the  
Centre?

I WONDER who is the local  
lumber contractor who has been  
advising the new Governor Elect  
on housing conditions throughout  
the state, and can receive a top  
position on the State Housing  
Board anytime he sees fit to take  
it?

I WONDER if Sergeant Lucar-  
elli isn't a gentleman officer, and  
a credit to the local police depart-  
ment?

I WONDER if Fred Malsben-  
den has as yet put in an order  
for a new car, as didn't we see his  
car in trouble in the Centre on  
Wednesday?

## Arlington Conquers Melrose At Hockey

Arlington High retained undis-  
puted possession of first place in  
the Greater Boston Interscholastic  
Hockey League as it defeated  
Melrose High 4 to 2 in the first  
of four games Saturday, at the  
Boston Arena before a crowd of  
3408 loyal fans.

However, the star of the after-  
noon was Skippy Vigliorolo, who  
paced his Belmont High team to  
an 8 to 4 victory over Rindge  
Tech.

In the opener, Arlington jumped  
into the lead at 2:18 only to have  
the Melrose squad hold them  
scoreless until the third period,  
when the league leaders scored  
three times, while the best Mel-  
rose could do was to dent nets  
twice.

noon (Thursday) January 6, at  
the Robbins Memorial Town Hall.
